Bet365's Best Odds Guaranteed is a popular offer to punters who enjoy horse racing. The promotion guarantees customers they'll receive the best price for their bet. If the current price is higher than the price they took when placing the bet, Bet365 will payout the higher of the two when the customer wins. Betfair withdrawals are processed using the payment method that the funds were initially deposited from. We advise that you ensure your registered payment method is the method you wish to withdraw to.
