

20bet online

Roulette is a popular casino game throughout the world. And now it's available on your computer, phone, and tablet for free from 24/7 Games! This HTML5 roulette game is playable from the browser of all of your devices - no app or flash download required!

The future of gaming is here with 24/7 Roulette!

To play roulette, select your chip amount in the bottom left corner. Place your bets on any of the squares on the roulette board in an attempt to guess which number will come up after the wheel spin. For the numbers, you may place bets on one space alone, in between two spaces, or in the corner of four spaces. Once all your bets are placed, click the Spin button for the ball to drop into the wheel which will begin spinning. Watch the ball as it settles into a slot, which determines which number is the winner. Winnings are doled out, losing bets are cleared away, and the process starts again!

Winning Roulette Payouts are as follows:

- 35 to 1 for a bet on a single number;
- 17 to 1 for a double number bet;
- a three number bet pays 11 to 1;
- A corner four number bet pays 8 to 1;
- A six number bet pays 5 to 1;
- a column bet pays 2 to 1;
- And a bet on the even outside bets pays 1 to 1.
