<p>I used to play GPGP (Good Pizza Great Pizza) and i couldn't do it so i deleted it, and 5 , £ after a year i downloaded it again and now i play it frequently! Everything is perfect about this app, the 5 , £ details, the characters , the storyline and much much more. The only downside about GPGP is that once you're done with 5 , £ the storyline of chapter 4 the game sort of gets boring, well the game is same old but it was 5 , £ more fun when there was a storyline or just a character visiting you when you close. When the stories finished, 5 , £ i didn't realize that it finished and i had always looked forward to seeing someone when my shop closed. But 5 , £ no one ever did so i stopped playing it for a few weeks and now im getting back into it 5 , £ waiting for a soon to be chapter 5. My only advice for the game is to have small characters like 5 , £ that one vampire just come after my store closes and ask for a pizza, im not saying you should change 5 , £ your game too much just have a side character pop up once in a while. Also i noticed there wasn't 5 , £ any hijabs i could wear when i customized my character, i was really upset and i thought there would be 5 , £ some sort of head covering like that because you guys put a hijabi in the game but im really disappointed 5 , £ and i hope you can add a hijab when someone customizes their character - The Islamic Pizzeria / , </p>
