<p>The Home of Esports Betting</p>

<p></p>

<p>With the rise of competitive gaming, esports has become one of the fastest growing betting markets in the world. And we're matching esports' lofty

plans with a betting service to match.</p>

<p></p>

<p>At Betway, not only do we give you the chance to bet on every game, we also give the most competitive odds, a wide range of betting markets and exciting betting promotions. Whether you want to place a casual bet on League of Legends or a series of tournament bets on the Dota 2, Betway gives you the ability to do all this at home or on the go, thanks to the Betway app where esports betting is easier than ever.</p>

<p></p>

<p>Forming part of our extensive online sports betting platform, esports betting has captured the imagination of our bettors to truly become its own entity. And we've made sure that their needs are met at every opportunity.</p>

<p></p>

<p></p>

<p>Getting ready to catch the latest LoL, CS:GO, Dota 2, Call of Duty or Valorant action? Then esports betting with Betway is the perfect way to extend your love of the sport.</p>
