Season 11 Call of Duty Mobile; Siren song
A new season has arrived with:
New weapons
Miami Blitz multiplayer map with a holiday theme
Misdirection Battle Royale class
A new battle pass
And most importantly the arrival of our third, legendary operator and leading lady of the season, Siren.
A once-in-a-century winter storm is unleashed in Call of Duty Mobile Season 11 - Siren Song. The season's protagonist, Siren, has just escaped the clutches of a secret government assassin training program funded by Atlas. Now he is freed and ready to fight.
The new season also brings holiday event sets, along with new skins and new weapons in the Battle Pass. Fight in the holiday-themed Miami Blitz, plant Christmas trees and earn rewards in the Battle Royale and settle in as the new Misdirection class.
Call of Duty: Mobile game data installation
Call of Duty Mobile game data is installed automatically. To install data, you need about 3 to 4 internet connections; But space is occupied in devices for about 9 hours. It is better to have high-speed Internet access while installing and downloading the game data so that the download process can be done without any problems.
Without the volume of game data, it will increase or decrease as you wish; For example, if you download all game maps, characters and camos, about 1.5 GB of internet is enough and it will take up about 6 MB of space on your phone.
System and access requirements
This game can be played on most mid-range phones that run Android 5.1 or higher and have less than 2GB of RAM. But you must have a strong phone to run without lag and play comfortably. It also requires you to access memory for storage as well as a microphone for voice chat.
