<p>What Sports Can I Bet On?</p>

<p></p>

<p>We said BET90 bookmaker liked variety, and there's no clearer evidence of that than in
 their eclectic selection of sports betting which covers a plethora of different game types and markets.</p>

<p></p>

<p>The layout is smart in
 terms of making it easy for you to place a bet. As soon as you land on the Sports Betting
 page the bookmaker highlights its greatest asset – soccer betting – with a preview of the biggest games to come,
 complete with official of top players.</p>

<p></p>

<p></p>

<p>Below this, you'll immediately find live sports betting so that you can quickly get
 into the heart of the action. It doesn't matter if it's Arsenal v Leicester City or Pakistan Army v Karachi
 Port Trust – these guys really do cover all types of matches. If you like to bet on niche matches,
 BET90 will be right up your street.</p>

<p></p>

<p>But it's not all football, football, football at BET90 bookmaker. A huge list of
 sports is available in the left-hand menu on desktop. As you would expect, the major players are all covered: football,
 tennis, basketball and so on. But there are lesser known and rarer sports here, too. You can place wagers on
 chess, badminton, Gaelic football and surfing.</p>

<p></p>

<p></p>

<p>Covering events like the WSL Women World Championship of surfing may be irrelevant for a
 fairly large proportion of players. But even if, like us, you've never heard of it, it still demonstrates that BET90
 is thinking outside the box. It's a smart tactic in becoming the go-to for sports that aren't regular.</p>

<p></p>

<p>With that being
 said it's not as if BET90 is only good for niche sports. The website is known for having plenty of
 markets on all of the biggest sports, too. Football – or soccer – is obviously a huge draw at any
 sports betting site and, with a name like BET90, you can be sure that's the case here too.</p>

<p></p>

<p>Some of the
 biggest Premier League fixtures can regularly attract upwards of 180 markets per game, which is more than you'll find at
 many sports betting sites. It's a similar case for other major events including mainstream boxing PPVs and key tennis events
 like Wimbledon.</p>
