New users who make a deposit through the FanDuel Sportsbook mobile app on iOS and Android can claim bonus bets in the form of site credits. Users must place a bet of at least \$5 on any market in order to claim the \$150 bonus bet offer. The offer is available to new users only and requires a minimum deposit of \$10. The bonus bet will be credited to the user's account within 24 hours of the bet being placed. The bonus bet can be used on any market with odds of -110 or greater. The bonus bet is subject to the standard terms and conditions of the FanDuel Sportsbook mobile app. For more information, please visit the FanDuel Sportsbook mobile app or contact customer support.
