

# bet house ^' confi^jvel

The idea for Trello was conceived by Joel Spolsky, Michael Pryor, and Daniel Tenner. They wanted to create a visual and intuitive tool for managing tasks or project components: the Kanban system used in Manufacturing... Trello was officially released and made public on September 8, 2011. What is the history of the company? Why did it succeed? I will discuss that in a series of posts. How did it succeed? It offers a simpler approach to task management with hybrid team coordination. It makes it easier to manage tasks and collaborate on projects and stay organized! Trello was named in 2014: Features, Pricing & More - Forbes. Business software review.
