Golden Gate Slot Review

By pressing play, you agree that you are above legal age in your

jurisdiction

and that your jurisdiction allows online gambling.

Golden Gate

Those of

you who had a chance to visit San Francisco know how special this Californian city is.

Seeing the famous Golden Gate Bridge in person is an incredible experience, and this

video slot will surely increase your desire to visit San Francisco.

Merkur Gaming's video slot is inspired by The Golden Gate, which connects San Francisco Bay to the

Pacific Ocean. Spinning 5 reels and waiting for amazing symbols to land on 10 paylines

will keep you entertained. Join this sunny adventure and win some amazing prizes.

Welcome to San Francisco!

As you enter this fantastically designed video slot,

you will immediately start California dreaming, and remember that dreams do come true

once in a while. The colors of Golden Gate video slot are perfectly blended together

and they bring out positive mood. The sunset over San Francisco and fascinating Golden Gate Bridge will put a wide smile on your face. The soundtrack is also very cheerful

and animations are absolutely great. The entire vibe of this game is casual and you

will enjoy it if you don't like tense games. When it comes to symbols, you

will see a red fire truck, a blue Cadillac, an orange tree, and lanterns.

Creating winning combinations of these symbols will make you love San Francisco even more. If you're having trouble with that,

The Golden Gate Bridge, also known as the Wild symbol, is always there to help you out by stepping in for a missing symbol. The only symbol it can't replace is the

Scatter, represented by a Cable Car. The low paying symbols are colorful playing cards
