Each Way Extra gives you the option to increase or decrease the number of places in a bet when you are betting Each way on selected Horse Racing. When you use Each Way you can add places to your Horse Racing bets and take a reduced price or remove place and increase the odds on your selection. Each Wayextra - Promotions - their Each Way bets on horse racing, but please note, this will then mean taking a reduced price on your selected bet. However, you can also remove places in your bet and increase the odds on the selected horse racing bet, but if you are not sure to remove all bets in the bet bet., but not their each way bet.
