

betway slot

high is a common name for slot machines in Australia. The term is likely to have originated from the fact that many of the slot machines were based on pokie card games. Over time, the term "pokie" became an acronym for "poker machines" (or "poker machines in the country"). Why are slot machines called pokies in Australia? Quora: Why are slot machines called pokies in Australia? English which is a bit easier to recognise than pokie or online pokies. - Times of Malta timesofmalta
