In horse betting, the potential payout for an exacta is atypically high

er in that of a

trifecta. This is because an exacta requires bettors to correct

ly prediction the first

second place horse on a race, which is challenging when predicted the

winner (and the second place horse), and the third place

horse

payout the toughest bet to hit

a trifecta or a double might be your best bet. It is

all about picking the three

horses, from finish first, second and third. Just like it is

with a double trifecta
