Significance. La Fortaleza (The Fortress) was the first true fortification in San Juan, established in 1521. The Spanish built it between 1503 and 1540 for protection against raids by Caribbean Indians and by English and French freebooters. Explore the history of the fortress on the National Park Service website: [nps.gov/for](https://www.nps.gov/for). The fortress is a great example of colonial architecture and offers a unique perspective on the city's history. The climate is tropical, with high humidity throughout the year. Ethnic groups include Portuguese, Italian, Spanish, and Afro-Brazilian.
