<p>The story most often told relates to how each animal is said to attack.

A bull will thrust its horns 💪 into the air, while a bear will swipe d
own. These actions metaphorically reflect the movement of a market, with bull &#
128170; markets trending up and bear markets trending down.</p>

<p>Where Did the Bull and Bear Market Get Their Names? - Investopedia</

<p>A bullish 💪 market is a time when the demand is higher than th
e supply of shares and results in the rising of 💪 the share prices. A b
earish market is a time when the supply is higher than the demand for the shares

💪 and results in the fall of the prices of the shares.</p>
