In general, there are not many countries that ban Bet365. In Europe, the UK, France, Germany, Spain, Italy, Greece, and Portugal are legal. In Asia, only the Philippines has banned it. In Africa, only South Africa is legal. In the Americas, only the USA is legal.

Legal countries: UK, France, Germany, Spain, Italy, Greece, Portugal, South Africa, USA, Philippines.

Illegal countries: Turkey, Belgium, Netherlands, Portugal, Russia, India, China, etc.

The most common reason for a ban is that the country is not a member of the World Football Federation (FIFA).

Another reason is that the country has a national sports betting monopoly.
