In general, there are not many countries that ban Bet365. In Europe, Belgium, France, Germany, Italy, Spain, and the Netherlands are the only countries where Bet365 is banned.

Other countries where Bet365 is banned include Turkey, the United States, and several countries in Asia and Oceania.

The Philippines is the only country in Asia and Oceania where Bet365 is banned.

The most common reason for the ban is that the company is not licensed in those countries.

Other reasons include the company's association with gambling, which is illegal in many countries.
