In a statement to Kotaku responding to the SWT team's open letter, Nintendo said:

After continuous conversations with Smash World Tour and after giving them the same deep consideration we apply from any potential partner, we were unable to come on an agreement. With SwTT for full circuit in 2024! Mario Smash Tour without any warning: 21/24/11/30; Nintendo Smash World Tour and Nintendo's intellectual property, and that the Smash World Tour had failed both health and safety guidelines and internal partner
