Texas, a conservative state with a large faith-based community, has long

considered a place where gambling is a vice - so the prohibition on casinos followed. It's a suit!

Note: It's important to understand that Gambling and Gaming are two different things. Gambling is participating in a game of chance for money or other stakes.

In the past, state-sanctioned wagering was limited. Gambling has become a bigger economic factor in many states than in any other state except California. In Minnesota - governors have

used their power to regulate gambling. AP News has reported on this. adpnews.com
