ABOUT GAME

Hugo may only have three toes, but you can still rely on this trusty tr
oll to

kick up plenty of fun on the football field as your teammat
e in Hugo Goal, a 3-reel
slot game from Play'n GO.

Hugo is in position as the game's wild symbol; he can
substitute for all ordinary symbols to help you score winning combinat
ions. As every
skilled professional knows, repeat practice the key to success. And wh
en you don't land
a win, there's the chance to score a Free Kick in one f
ree re-spin as a second chance.

Lining up two of the same character symbols on non-winning
spins will replay the action
over and over until you win, or hit a hat-trick of symbols
to trigger the Penalty
Shoot-out Bonus Game.

When Fate is on your side, the reels may just keep spinning until
🍌 you finally achieve your goal! Prepare for the Penalty Shoo
t-Out bonus round when you
get a full house: all nine 🍌 symbols on the reels match, with
or without the help of
wilds.

Choose an area of the goal for Hugo to 🍌 guard on each of the
five penalty kicks
to keep opposing team members like Afskylia and Don Croco from scoring
. 🍌 Save all five
goals to win the glorious Golden Trophy and multiply all your bonus wi
nnings by 10!

In

Hugo Goal, 🍌 you are the champion, my friend.
