Dear Troy,  
thank you for sharing your experience with us.  
We  
are sorry in case there were any inconveniences caused, and we understand that the withdrawal process might be longer than expected.  
Please, be informed that before receiving a pay-out, players need to undergo the verification process.  
Rolling Slots would like to inform you that the KYC verification process is a standard procedure, which takes place in casinos, and we are not an exception.  
After providing all the requested documents and successfully passing the verification, your withdrawal request will be processed, and you will be notified via email regarding the results.  
Also, please be informed that our Financial Department acts in accordance with our Terms and Conditions, where it is mentioned that the withdrawal request might be postponed due to additional verification. In this case, the relevant department can ask you to provide additional information or documents in higher quality.  
We understand that this procedure might be exhausting, however, please note that the requested documents by our Financial Department represent a proof of establishing your identity.  
In this way, we are making sure to protect you and your account in the future.  
In case you have other questions related to the verification or financial processes, you can always reach directly our KYC department via email.  
If you need any clarifications, please contact us by our Live-Chat or email address of the Support Team. Our support agents are 24/7 available to assist you!  
Kind regards,  
Rolling Slots Casino Representative.
