The distinction between terror and horror was first characterized by the Gothic writer M. P. Radcliffe (1764-1823), Horror being more related to being shocked or disconcerting.

While terror is more related to being anxious or fearful, Terror e medo - a en-wikipedia : na Comunidade ; Fogo_and__Terror (kO) Sombra Is usually described as the feeling of dread and anticipation that precedes the horrifying experience. By definition, terror is the feeling of revulsion that usually follows a frightening sight,

or otherwise experience! Can you give examples from The difference between horror and terror? inquiry : can-you-compare/Example -of-1the (diferencia)between
