<p&gt;lf anyone remembers me from a couple months ago I was&lt;/p&gt;
<p&gt; beating 10NL for 5BB/100 and losing &#128181; at 25NL for 10BB/100. I
took a 3 month break from</p&gt;
<p&gt; online poker, completely changed my game, and now am &#128181; beating
g it at 5BB/100 for like 20k</p&gt;
<p&gt; hands. I&#39;m a few buyins above EV but even accounting for that I&#3
9;m 💵 pretty confident I</p&gt;
%lt;p> can actually beat this level now.</p&gt;
<p&gt;I went from a 30/25/10 LAG to just ABC TAG. I don&#39;t&lt;/p&gt;
<p&gt; &#128181; bluff, hardly ever chet unless it&#39;s for value or I have
a monster draw, and play</p&gt;
<p&gt; incredibly predictably. I would &#128181; get eaten alive by thinking
players, but it took me 6</p&gt;
<p&gt; months to realize that the players at 25NL don&#39;t &#128181; think.
I limp low pps from EP to</p&gt;
<p&gt; setmine and get paid off 100% if villains hit top pair, I &#128181; I
imp/rr AA UTG in FR games</p&gt;
<p&gt; and they still stack off with QQ or AK, I donk then triple &#128181;
barrel monsters and still</p&gt;
<p&gt; get paid off by TPGK, I have a 5% 3betting range from the blinds but p
eople 💵 think I'm</p&gt;
<p&gt; always 3betting light and stack off with 99+ in BVB or blind vs BTN. I
really do play</p&gt;
<p&gt; &#128181; 25NL like I play live 1/2 and it&#39;s working because dumb
ass regs keep leveling</p&gt;
<p&gt; themselves into thinking I&#39;m bluffing them &#128181; all the time
.</p&gt;
<p&gt;l used to be just like them&lt;/p&gt;
<p&gt; TBH. I used to get into these 3bet/4bet shoving wars preflop &#128181;
 and double float people</p&gt;
<p&gt; with air to take it down on the river and triple barrel A high and mak
e 💵 other horribly</p&gt;
<p&gt; spewy plays because I thought I needed to play like durrrr to beat 25N
L. Turns out you</p&gt;
<p&gt; don&#39;t &#128181; need to be afraid of the villains at 25NL; they&#
39;re all morons who read a post</p&gt;
<p&gt; about 3betting and now &#128181; think they have to 3bet KQ from the
BTN everytime, but they</p&gt;
<p&gt; missed the article about polarizing your 3betting range &#128181; aga
inst TAGs and nits. Just</p&gt;
<p&gt; play ABC poker and you&#39;ll crush them.&lt;/p&gt;
<p&gt;&lt;/p&gt;
