A "reg" is someone who plays at least somewhat regularly and wins. A "rec" is a regular player. This recreation player can play frequently or infrequently. What exactly is the difference between the two? The difference is that a regular player is someone who plays frequently and a recreation player is someone who plays infrequently.

Of The Sun is a game that is played on a board that is 10x10. The board is divided into four quadrants, each of which is a different color. The game is played by two players, one of whom is the "Sun" and the other is the "Moon". The Sun starts in the top-left quadrant and the Moon starts in the bottom-right quadrant. The goal of the game is to move your piece to the opposite quadrant of the board.

The Sun starts in the top-left quadrant and the Moon starts in the bottom-right quadrant. The goal of the game is to move your piece to the opposite quadrant of the board. The Sun moves first and then the Moon moves. The game ends when one player is unable to move their piece.

Each player has a set of pieces that they can move. The Sun has pieces that are colored red, yellow, and green. The Moon has pieces that are colored blue, purple, and pink. The pieces are moved by clicking on them and dragging them to a new location on the board.
