Gates of Olympus review
Theme and Storyline
This slot is themed on Greek mythology.
Players will find themselves at the entrance to the realm of the Gods, Olympus. An ominous Zeus hovers at the gate, daring those who approach to be worthy.
Up against reels of precious gems and mysterious artifacts, players will face a trial to enter the heavenly kingdom. The violet sky seems temptingly just beyond the gates.
This slot has an epic mood and lots of mythical drama.

Graphics, Sounds and Animations
The animation style has a video game aesthetic and this adds to players sense that they are on trial.
The colour palette is filled with purple, blue and gold, creating a great fantasy mood. Imposing white pillars topped with flames stand either side of the gold-framed reels.
The gems and other treasures make eye-catching symbols and feel satisfying to accumulate.
Zeus is clad in a white toga and chunky golden cuffs. His glowing green eyes and aggressive stance make it clear that players will need to impress him to get anywhere.
The theme music is filled with harps, bells and dark undertones. This reminds players that although they are at a heavenly gate, they haven't gotten in just yet.
