The oldest casino in the world, the Casino di Venezia, sits on the Grand Canal in Venice. Opened in 1638, it was originally a theatre called the Teatro Saint Moses, which was destroyed by fire in 1683. The casino was rebuilt and reopened in 1686. It is the only casino in the world that has been operating since its founding. The casino is a masterpiece of Venetian architecture, with its ornate facade and its grand interior. The casino is a must-visit for anyone who loves history and architecture. The casino is a must-visit for anyone who loves history and architecture.
