EGT online casinos have become significantly more popular in recent years. While EGT games might not be as common as certain other providers, EGT has been making giant leaps and is seen as a fine addition to any games lobby.

around.

EGT's Rapid Expansion

In September 2008, EGT's rapid expansion saw them invest in a purpose-built facility that could cope with all their administrative and manufacturing demands, where they employ 830 staff. This expansion followed the company's penetration of European Union Markets after Bulgaria where they were granted access in 2007. Since then they have continued to penetrate more global markets including Asia and America. More recently, the company has announced that EGT products have broken into France, Panama, South Africa, and the Caribbean, with plenty more global destinations in the pipeline.

Types of EGT Games

Games by EGT (now Amusnet Interactive) are played in more than 60 countries around the world, and these are spread over the five continents of Europe, Asia, Africa, South America, and North America. You might be familiar with EGT slots, but the company's product portfolio is very vast and includes video slot games, jackpot systems, gaming machines, free online roulette games, mobile gaming platforms, mobile play-station, and semi-electronic free online blackjack tables, as well as a wide range of gaming accessories.
