

jogar jogo do bicho online

A key difference between Blackjack and Spanish 21 is that ten cards are removed from the deck in Spanish 21. In Blackjack, when the first two cards combine to equal 22 (a combination of the face card Jack, Queen, that all numbered 10 cards are removed from the deck leaving 48 cards, in each deck. Jacks, Queens and Kings count as 10; Aces as 1 or 11 (whatever is to the player's advantage).
