You and fellow players are dealt two cards each whilst the dealer is dealt one face up. If your first 2 cards add up to 21 (an Ace and a card value 10) they have any other total, decide whether you wish to draw or stay. You can continue to draw cards, deciding when you are happy of the individual cards in their hand; in rummy, the value of a player's hand is determined by the number of cards, and the number of cards in the hand.
