Fantastic World of Achaea:

Flagship RPG Game

Are you ready to start your adventures? Will you be a pirate or a trade

magnate, a soldier or a scholar? Everything that you do in

Achaea is a product of your

own choices and decisions; your character's journey is

entirely your own, shaped and

influenced by the fast friends and hated enemies you make along the wa

y. Participate in

one of our player run cities and perhaps you'll rise to

the top as a demagogue leading

armies to victory!

One of the most prestigious achievements in our MUD game is

becoming

a Greater Dragon. Dragonhood comes at level 99, allowing you

to choose one of six

dragon colours, transform into a draconic form and utilise an entirely

distinct skill -

Dragoncraft!

Abilities in Dragoncraft

The Dragoncraft skill is different from typical

RPG MMO games in that it functions as an entire class and r

ace by itself, capable of

incredibly powerful hunting with strong PvP combat potential - particu

larly in groups.

The abilities gained through this skill are as follows:

Dragonform: Transform into your

draconic form.

Heal: Purge yourself of afflictions.

Flex: Destroy pesky

bindings.

Armour: Call upon the blessing of Ashaxei.
