

netbet casino bonus

A bonus is a financial compensation that is above and beyond the normal payment of its recipient. Bonuses may be awarded by a company as an incentive or a reward for performance. Typical bonuses include: performance, referral (and retention), and profit sharing. Bonuses can be given to employees, contractors, and customers. They are often used to attract and retain talent, and to reward high performers. Bonuses can also be used to motivate employees and to improve morale. They are a common part of many compensation packages. Bonuses can be given in a variety of ways, including cash, stock, and other benefits. They can be given on a regular basis or as a one-time reward. Bonuses can be a powerful tool for companies to use to attract and retain talent, and to reward high performers.
