<p>Return to the fantastic realm of adorable fighters with Dynamons 5! This new chapter brings more characters to the breathtaking 📉 saga, giving the players even more species to meet and train, new battlegrounds to test the limits of their fighters, 📉 and more challenging opponents than ever! So what are you waiting for? Let's start training!</p>
<p></p>
<p>Start your journey with a tutorial 📉 to grasp the basics of the skills and how to use them efficiently during battles. After completing the tutorial with 📉 your first win, you can go ahead and choose a skill class. You have three element options with high-potential monsters: 📉 earth, fire, and water. Choose your side and get rewarded by your teacher as a help for this new journey 📉 you are about to set out on. Now it's time to find and capture your first wild Dynamon. Use your 📉 basic attack repeatedly to lower the enemy's health points, then go to your bag and use a disc to catch 📉 it. This way, you can grow your small army of Dynamons! Use the advantage of your numbers to switch between 📉 characters during battles, and overwhelm your enemies with carefully planned fighting strategies of different elements! Good luck!</p>
