</p></p>

The positions around a table in a 5 , £ 6-player game, clockwise from the Dealer Button, are:</p></p>

</p></p>

Button/Dealer (BTN) Small Blind (SB) Big Blind (BB) Under The Gun (UTG)

Middle 5 , £ Position (MP) Cutoff (CO)</p></p>

</p></p>

How to interpret our Pre-Flop Ranges Chart:</p></p>

</p></p>

This chart shows all the possible Hole Cards you could be 5 , £ dealt

s for suited and o for offsuit .</p></p>

</p></p>

When you are UTG (i.e. directly to the left of the Big 5 , £ Blind), this

chart suggests you should only open (i.e. bet first) with the cards in the Red

boxes.</p></p>

</p></p>

When you are 5 , £ in Middle Position (MP), more hand combinations open

up. The chart suggests you can now open with all of the 5 , £ cards in the Orange

boxes in addition to the ones in the Red boxes.</p></p>

</p></p>

In the Cutoff position, even more hand 5 , £ combinations open up. The c

hart now suggests you can open with all of the cards in the Yellow boxes in 5 , £

addition to the ones in the Orange and Red boxes.</p></p>

</p></p>

Next you reach the Button, where more options are available to 5 , £ you

, adding the green boxes to all of those that were available in the earlier posi

tions.</p></p>

</p></p>

Finally, you reach the Small 5 , £ Blind. In this position, the chart su

ggests you can open with any cards in any of the coloured boxes.</p></p>

</p></p>

Any boxes 5 , £ that are white are those you would usually never open.</p></p>
