<p>Rules [edit]</p>
<p></p>
<p>The rules in terms of betting structures, play of the hand, and showdown 💴 are the same as in Texas hold 'em. However, before play begins all cards 2 through 5 are removed (16 💴 cards), thus the total number of cards in the deck is 36. Aces are high, but same as in Texas 💴 hold 'em, can make both low and high end of straights. For example, the lowest straight would be (9x-8x-7x-6x-Ax) and 💴 the highest (Ax-Kx-Qx-Jx-10x). This changes the probability of hands and alters hand rankings.[2]</p>
<p></p>
<p>Modified hand rankings [edit]</p>
<p></p>
<p>   Flush ranks 💴 higher than full house. In theory, three-of-a-kind ranks higher than a straight as the probability of achieving three-of-a-kind is lower 💴 than a straight in short-deck, however recent games have been ranking straight higher than three-of-a-kind which has become standard.[3] Some 💴 variations of six-plus hold 'em plays with standard Texas hold 'em hand rankings. When calculating for 5 card six-plus hold 💴 'em where each player gets only 5 cards, straights rank higher than three-of-a-kind.</p>
<p></p>
<p>The 2024 Triton Poker tournament series hosted the 💴 first televised six-plus hold 'em tournaments. The first Triton Super High Roller HK$ 250,000 short deck ante-only event was won by 💴 Phil Ivey, earning him US$617,396.[4] The 2024 Triton tournaments ranked straights higher than three-of-a-kind.[5]</p>
