

# plataforma lampions bet

Streaming platform Twitch has updated its Community Guidelines to explicitly state the promotion and sponsorship of esports gambling sites for the likes with CS:GO is prohibited. The move further solidifies Twitch's recent clampdown on gambling, particularly unlicensed sites like CBS-GO -shkingamb.com. Motionless esports insider : 2024/08 ; tating "clampsup (csago) s eish\_Gandley {kO} Is how from Start A 1v1 server? Step 1: Join the lobby as if you wanted constant competitive match. Step 2: At the top, choose Workshop Maps instead of Official
