Poker has a gambling element to it, which leads some players to question if poker is
down to luck. Although there is a serious amount of luck involved in poker, the fact
the same big names regularly win in cash games and tournaments shows that there is skill
involved. Skill or Luck - Is Poker Gambling? - PokerNews pokernews : strategy
there is a large element of luck in the short term. Professional poker players mitigate the
luck aspect by consistently making mathematically superior decisions and therefore
win in the long run. Is Poker a Game of Skill or Luck? This Will Shock You
