<p><p>What is the relationship between the number of p
aylines and the cost to play a slot game?</p></p>
<p><p>The number , of paylines available in a game is one of the m
ost important features of a slot machine. If a game , has 40 lines and one cre
dit per line, then the base bet is 40 credits. However, if you place a , dolla
r bet on a five-line slot at 20 cents per payline, the payout is higher.</p>
