The Derby Paulista (English: from So Paulo Derby), also called simply Derby Paulista, is an association football match between Corinthians and Palmeiras. It is a traditional rivalry in the city of São Paulo. It is the rivalry between the oldest club in the city, Associação Atlética Paulista (Taubaté), and the club that has spent the most time in the top flight of Brazilian football, Sociedade Esportiva Palmeiras. The match is one of the most watched in Brazil and is often referred to as the "Clássico das Avulsas" due to the clubs' shared history of playing in the same stadium, the Estádio Palestra Itália, before the clubs moved to their current stadiums.

It is possible to bet on both teams, effectively reducing your risk and potentially earning a profit regardless of the outcome from the match. Is it possible to bet on both teams involved in a derby? Yes, it is possible to bet on both teams in a derby match, a strategy known as "hedging". This is often done to reduce risk or to guarantee a profit. For example, if you bet on both teams in a match, you will win regardless of the outcome. However, this strategy is not always the best one, as it can be expensive and may not always result in a profit.
