<p>What Are Betting Trends? As it is most commonly understood, the term 'betting trends'</p>
<p>synonymous with public money; it refers to the volume of wagers placed on each side of</p>
<p>a bet versus the other. In this definition, bettingTrends evaluate what the public</p>
<p>will happen in the course of the given sporting event. Betting</p>
<p>strategy. This is where</p>
<p>you're able to place multiple bets to cover all possible results and still make a</p>
<p>regardless of the outcome ofthe game. Best Sports Betting Strategies </p>
