SportyBet Ltd has gone to court accusing the Kenya Revenue Authority (KRA) of blocking its operations by freezing its bank accounts.

The company says it is unable to pay its tax bills and other obligations because of the KRA's actions.

The KRA has responded by saying that it is simply enforcing the law.

The KRA claims that SportyBet has not paid its taxes for several months.

SportyBet has denied the allegations and says it is a legitimate business.

The company says it has paid its taxes in the past and is currently in arrears.

The KRA has also accused SportyBet of engaging in illegal betting activities.

The case is ongoing.
