A +1.5 spread is commonly seen in baseball betting, the standard line for MLB. A +1.5 spread means the underdog must win outright or lose by exactly one run to cover the spread. Alternatively, a -1.5 spread, which means the favorite must win by at least two runs. Many baseball games are decided by a few runs, so a team will have a 1 goal advantage in a game, or (-1) means that your team will have to win with a score difference of more than 1 to win. Handicap -1.5: Your team will win if the score difference is two and more.
