Gameplay/Tutorial To play Arabic Roulette, you will need to wait until when the 'place' button is active. The table is laid out in front of you and will be brought forward allowing you to select the number of chip sizes you prefer. You will find 6 different chip sizes which you can select then click on the area or number on the board to place a wager. The chip sizes range from 0.50 Eur to 1000 Eur. There is a specific period in the game for players to place their wagers and you have to be quick when placing your bet before the 'Bets Closed' sign appears thus returning the board layout to the previous location. Arabic roulette will allow you to set a variety of ways to see the game as it progresses. You can activate the full screen using the buttons located at the top left of the screen. You can also deactivate the game sounds and slow-motion settings using the help section of the game. For players who would like to know their bet history then there is a button located in this game specifically for this. Because the game is in high demand, you can switch between the different video quality on offer for a seamless gameplay. Players have the option of placing different special bets such as their favourite number or repeating them while the game progresses.
