<p&gt;//Inkd.in/ev9ptx7g The Government&#39;s White Paper on gambling industr y reform was</p&gt; <p&gt; published earlier today and recommends, among other things, the creati on 😗 of a</p&qt; <p&gt; non-statutory gambling ombudsman with the wider remit to &quot;adjudic ate on complaints</p&gt; <p&gt; relating to social responsibility or gambling harm.&quot; &#128535; T he White Paper sets the target of</p&gt; <p&gt; establishing a new ombudsman &quot; within a year&quot; and says that t he process for 😗 its</p&qt; <p&gt; appointment will commence in the summer. Our position has always been that if a</p&qt; <p&gt; gambling ombudsman is to be &#128535; created, it makes overwhelming sense to build on the</p&gt; <p&gt; foundations of experience and understanding that IBAS already offers. We believe 😗 that</p&gt; <p&qt; approach offers the best option, for consumers and the wider industry. We have built 25</p&qt; <p&gt; years of gambling dispute &#128535; resolution experience and no one knows better the industry</p&gt; <p&gt; and what concerns its customers. We support today&#39;s recommendation and look 😗 forward to</p&qt; <p&gt; engaging with a range of stakeholders to begin considering how a trans formation process</p&qt; <p&qt; can work. We appreciate that &#128535; the issue of adjudicating on c omplaints & guot; relating to & lt; /p> <p&gt; social responsibility or gambling harm&quot; is a complex challenge bu t it is 😗 one that we</p&qt; <p&gt; are committed to rise to, hopefully with the valuable input and suppor t of many of you</p&gt; <p&qt; who &#128535; follow our work.&lt;/p&qt; <p&qt;&lt;/p&qt; Autor: bandysautoservice.org Assunto: unibetfr Palavras-chave: unibetfr Tempo: 2025/2/21 2:51:26
