

# vaidebet localiza&#231;&#227;o

&lt;p&gt;Marker used to signal the dealer or last player in poker&lt;/p&gt;  
&lt;p&gt;Dealer button and playing&lt;/p&gt;  
&lt;p&gt; cards&lt;/p&gt;  
&lt;p&gt;In poker, the buck or dealer &#128276; button is a marker used to indi  
cate the player who&lt;/p&gt;  
&lt;p&gt; is dealing or, in casino games with a house dealer, &#128276; the pla  
yer who acts last on that&lt;/p&gt;  
&lt;p&gt; deal (who would be the dealer in a home game). The term button &#12827  
&#128276; is also used for a&lt;/p&gt;  
&lt;p&gt; variety of plastic discs, or lammers, used by casinos to mark the stat  
us of&lt;/p&gt;  
&lt;p&gt; players.&lt;/p&gt;  
&lt;p&gt;History &#128276; [ edit ]&lt;/p&gt;  
&lt;p&gt;When poker became a popular saloon game in the United States&lt;/p&gt;  
&lt;p&gt; in the middle of the nineteenth century, &#128276; the integrity of t  
he players was unreliable&lt;/p&gt;  
&lt;p&gt; and the honor codes that had regulated gambling for centuries became i  
nadequate.&lt;/p&gt;  
&lt;p&gt; Because &#128276; the dealer has the greatest opportunity to cheat (b) Tj T\* BT

&lt;p&gt; turns in this role. To avoid arguments about whose turn it was to deal  
, &#128276; the person who&lt;/p&gt;  
&lt;p&gt; was next due to deal would be given a marker. This marker was moved cl  
ockwise around&lt;/p&gt;  
&lt;p&gt; the &#128276; table after each hand. A knife was commonly used as a m  
arker, and the marker became&lt;/p&gt;  
&lt;p&gt; generally known as a &#128276; &quot;buck&quot;, as an abbreviated re  
ference to the buck&#39;s horn that formed&lt;/p&gt;  
&lt;p&gt; the handle of many knives at that time.&lt;/p&gt;  
&lt;p&gt;When the &#128276; dealer had finished dealing the cards&lt;/p&gt;  
&lt;p&gt; he &quot;passed the buck&quot;. According to Martin, the earliest use  
of the phrase in &#128276; print is&lt;/p&gt;  
&lt;p&gt; in the July 1865 edition of Weekly New Mexican: &quot;They draw at the  
commissary, and at&lt;/p&gt;  
&lt;p&gt; poker after &#128276; they have passed the buck.&quot; The phrase the  
n appears frequently in many&lt;/p&gt;  
&lt;p&gt; sources so it probably originated at about this &#128276; time. Howev  
er, Mark Twain cited it as&lt;/p&gt;  
&lt;p&gt; common slang in Virginia City when he was a reporter there in 1862.[1]  
&lt;/p&gt;  
&lt;p&gt;&quot;Passing &#128276; the&lt;/p&gt;  
&lt;p&gt; buck&quot; soon became a metaphor for dodging responsibility. U.S. Pre  
sident Harry S. Truman&lt;/p&gt;  
&lt;p&gt; was noted for a sign in &#128276; his office reading &quot;The buck s  
tops here &quot;. It was a gift&lt;/p&gt;
