<p>Voided my winning bets .</p>

<p>Awful experience.</p>

<p>Yesterday I placed 3 bets on one particular game(Saudi Arabian football) Tj T* BT /F

<p>Their outcome</p>

<p>1st bet - lost</p>

<p>2nd bet - won</p>

<p>3rd bet - won</p>

<p>Later on evening, I could see that my first bet 6 , £ was updated as los

t and that my 2nd and 3rd bet were updated as void. I was in shock.</p>

<p>I went 6 , £ on live chat support where they first told me that "al

I bets on that game were voided due to abnormal 6 , £ bets placed". So I ask

ed them why wasn't my first bet voided. Then they told me that only bets on

6 , £ last 2 goals were voided, due to reason "that I placed bets before the

goals were scored". Their support adviser 6 , £ Vanessa constantly tried to

make me say that I did that, which I obviously didn't. So I asked them if 6 ,

£ that is the case, if their system had decided that I placed winning bets befo

re the goals were scored, how 6 , £ come my first bet is lost and not void?</p>

>

<p>They kept telling that that bet was alright.</p>

<p>I am here now placing 6 , £ timeframe of my bets.</p>

<p>My first bet(not voided one): 27/05/2024 19:30</p>

<p>My second bet(voided one): 27/05/2024 20:02</p>

<p>My third bet(voided one): 27/05/2024 20:09</p>

<p>All 6 , £ three goals were scored in the same minute that I placed bets,

but I could have known the outcome. On 6 , £ first bet I had bad luck and on oth

er three I had good luck, until the bookie decided that I 6 , £ can't win. Th

ey wouldn't explain what is the difference between voiding 2nd and 3rd bet a

nd not voiding first one.</p>

<p>Did 6 , £ anyone experience the same situation?</p>

<p>Date of experience : May 28, 2024</p>

<p></p>
